How to make The Union Jack

- 1: Colour the triangles above dark blue, leaving a white cross, then fold it over.
- 2: Colour the two zig-zags at the sides red, making sure you remove the middles, and fold them over.
- 3: Colour the cross below red, leaving a white border, and fold it over.

To make your own Union Folding Flag, print out the template here and follow the instructions carefully.

Once you've coloured in and cut out the different parts it should look like this:

Fold each part according to the instructions, and you'll have made the Union Flag!
